### Punctuality

It is very important that all children arrive on time. School doors open at 8.40am every morning. If your child arrives after 8.50am then they are late and they will not be able to come into school via the usual morning entrance doors but should instead come through the main school entrance. Your child will then need to sign in using our electronic signing in system. We will then be able to amend the registers and ensure your child is marked for a school dinner.

**Please note that if your children arrive at school later than 9.20am, we are required to mark them as absent for that half day session.**

If children are regularly late, a parent will be expected to attend a meeting to look at how punctuality can be improved.
