- It looks like the weather is going to get warmer and sunnier again next week, can I please remind you to ensure that your child comes to school with sun cream applied, fresh water in their bottle and a sun hat to wear at break and lunchtimes.

Attendance Target

Our target is 96%- but we are a long way off reaching our target. The Department for Education tracks attendance carefully and judgements on how well a school is doing is partially based on whole school attendance. The national average is 96.7%. We need your help to improve attendance for our school. You can help by coming to school every day and on time.
