### Site Introduction

Children mostly live "in catchment" with approx. 40 pupils transported by Thurrock Council from Chafford Hundred, South Ockendon, Purfleet and Tilbury.

Our school is located at the end of a "dead road with a scrap yard and heavy commercial vehicles constantly in use. The neighbouring houses do not have off-road parking and therefore, there is little parking on the street for school users.

## Consultations

Status	Type	Action	Responsible	Target Completion	Reporting	Completion Date
Completed	Local Authority	LA1 School is engaged with the LA with regards to implementing the School Travel Plan and STARS	Natalie Barton	22/04/2021	Natalie Barton has now taken over responsibility for driving the school travel plan forward. She has been in touch with Lisa Clissold to get the travel plan up to date in order to maintain bronze accreditation. She has had numerous correspondence with her and also consulted with Warren Primary to get a better insight into how it works and the best way to maintain it.	22/04/2021
Completed	Pupils	P1 In-depth pupil surveys take place (Do not use to record hands up surveys)	Natalie Barton	30/11/2021	Hands up surveys were sent out to all classes to be completed. All surveys were completed on 18th/19th November and returned to Natalie Barton to be inputting on to STP.	30/11/2021
Completed	Pupils	P2 Pupils conduct bike counts	Natalie Barton and the JRSOs	11/07/2023	Following on from the Lets Get ACTIVE - Small Change, BIG difference challenge we took part in earlier this year, we have been trying to encourage more children/adults to walk, bike or scoot to school. Given the weather has been nicer over the past few weeks, we have advertised on our social media and in our newsletters encouraging children to bike into school and park their bikes up in the bike shelters. Our JRSOs have recently undertaken a bike count. One one day they counted 6 bikes and 5 scooters at the front of school and 13 bikes and 8 scooters at the back. After putting a notice on social media and in our newsletter encouraging active travel to school, the following day when the JRSOs counted the bikes there had been a big improvement. They counted 9 bikes and 13 scooters at the front and 12 bikes and 13 scooters and the back.	11/07/2023
Completed	Pupils	P3 Pupils undertake work to complete the School Travel Plan / STARS application	Donna Clark, Natalie Barton, School Councillors, JRSOs and all pupils and teachers throughout the school who took part in survey	30/06/2023	The School Councillors and JRSO's put together a questionnaire around Seatbelt Safety to take around to all classes to question the children. They asked them a few questions, i.e - do you always wear a seatbelt when travelling in a car. They were surprised that not everyone, children and adults, always wears a seat belt in class and some of the reasons they gave to this, i.e - cannot be bothered, it was just around the corner, they hurt when wearing. The councillors/JRSOs explained the importance of wearing a seatbelt to the classes. They summarised their findings and put up some posters around the school highlighting the importance of seatbelt safety.	22/06/2023
Completed	Pupils	P4 The School Travel Plan / STARS is discussed at School Council / pupil meetings	Natalie Barton, Donna Clark and all School Councillors from years 1 - 6	30/03/2023	Miss Clarke (School Council Leader) and Mrs Barton (School Travel Plan Coordinator/HR) met with the School Councillors on 7th March to talk about the School Travel and how they can get involved going forward. She discussed the objectives of the travel plan and different initiatives they could get involved in. It was agreed, first steps, would be to work alongside the current JRSOs and	30/03/2023

Completed	Residents, Businesses and Local Community	RBLC1 Residents are informed of the school's efforts to promote safe and active travel	Travel coordinator	31/07/2021	<p>organise a pupil survey around our new topic, Seatbelt Safety. They would devise a questionnaire and take it around to all classes to gather data around seatbelt safety and then would present their findings.</p> <p>Communicate to local residents actions being driven forward to improve road safety. Copies of newsletters and letters relating to traffic along Manor Road shared with local residents.</p>	26/03/2021
Completed	Senior Management and Governors	SM1 The School Travel Plan / STARS is discussed at Senior Management / Governors meetings	Donna Clark & SLT	13/03/2023	<p>Donna Clark (School Council Leader) discussed the School Travel Plan at the Senior Leadership Team meeting on 13th March 23 Following Natalie Barton and Donna Clark's meeting with the School Councillors last week, Donna Clark added the School Travel Plan to the agenda at a SLT meeting. She updated everyone on what work had been done so far, how we are looking to get the School Councillors on board working in conjunction with the JRSOs to introduce more initiatives that we can work on to really take the STP forward with a view to achieving a higher accreditation by end of Summer term. Donna explained how the School Councillors and JRSOs were putting together a questionnaire around Seatbelt Safety and the importance of wearing one. They will then take this questionnaire around to all classes to complete with the children and explain some key info that they had put together around road safety and wearing a seatbelt.</p>	13/03/2023

## Travel & Transport Issues

### Current Travel & Transport Issues

Status	Details of Issue / concern	Date of Issue	Category
Current	Heavy congestion at school drop off/collection times at the rear access point to the school, Elm Road There are now road restriction in place so the unmade area before the park is now heavily congested with the cars double parking causing no pedestrian access. A parent reported a child was nearly run over . 10/10 complaint rec'd detailing serious concern to the situation from a parent.		Road Safety
Current	Council-run road safety programme faces difficulties when teaching Year 2 children how to cross the road safely. They are forced to cross the road between parked cars, the extremely low level of the kerb is unusual which makes for a difficult lesson. The pavement becomes very narrow on refuse collection days and becomes a one-way pavement during peak times, forcing one party to walk in the road.		Road Safety
Current	Live too far away from the school to walk so a Park & Stride would be healthier and better for the environment.		Walking
Current	Crossing a road near the school is not easy because there is no zebra crossing for pedestrians.		Road Safety
Current	There is no zebra crossing on Broadmayne Road which makes it difficult to cross and makes parents re-think about walking to school.		Road Safety
Current	Cars travel too fast along Gypsy Lane which makes parents rethink about walking to school.		Road Safety
Current	Children and parents want to cycle to school but there are no local cycle routes and it is not safe enough to ride in the road.		Cycling
Current	A pupils bicycle and scooter have been removed from school CCTV show an adult entering school after hours and removing the items		School Facilities
Current	Residents from Cherry Tree Close have contacted the school over increased use of their road for school parking following road enforcements being installed	04/10/2019	Parking

Current	Child reported being stuck on her leg by a vehicle in GYpsy Lane. This occurred during her walk home from school	15/01/2020	Personal Safety
Current	Heavy congestion at school drop off/collection times at the rear access point to the school There are no road markings in Maple road,. Concerned has been raised at the dangers being seen at the entrance to the park. There is a small area just before the gate where cars are double parking causing no pedestrian access. A parent reported a child was nearly run over .		Road Safety
Current	The school when the building work was undertaken, installed clear road marking for parents to walk into school. A number of parents continue to walk across the school car park which can be dangerous.		Road Safety
Current	Since the school reopened from lockdown we have been receiving complaints from parents and residents regarding the volume of traffic in the Elm Park area. cars are blocking access and a pram was hit by a car trying to move in a limited area	05/10/2020	Personal Safety
Current	Due to COVID and the restrictions on access into school, we can not use the drop off zone as we cannot control pupil movement. All year groups now have an allocated entry point. This is causing cars to turn in the road outside school(Manor Road) Cars are	05/10/2020	Personal Safety

Resolved	The school when the building work was undertaken, installed clear road marking for parents to walk into school. A number of parents continue to walk across the school car park which can be dangerous.		Road Safety
Resolved	Locked Main gates which allow entry to the park at the rear of the school ( Elm park). Padlock had been changed which meant a standing agreement that the school opens the gate at drop off/collection times could not be undertaken.		Walking
Resolved	Parents double parking in the middle of the road. Sometimes leaving parked cars in the middle of the road at collection time. Road becomes gridlocked.		Parking
Resolved	Not enough staff parking		Parking
Resolved	Road outside of the school becomes congested with parents double parking or leaving their car in the middle of the road. Due to resident parking the road becomes one-way. Pedestrians are forced to cross the road between parked cars, with unpredictable and speedy maneuvers taking places along Manor Road and Gipsy Lane.		Road Safety

## Current Travel & Transport Issues

Status	Details of Issue / concern	Date of Issue	Category
Resolved	Large vehicles from the scrap yard trying to use the road at the same time as parents during peak times. Road is virtually one-way due to resident parking and a large vehicle trying to make it's way through can cause traffic to come to a standstill along Manor Road and Gipsy Lane due to the cross roads. A dangerous situation for drivers, pedestrians and cyclists alike.		Road Safety
Resolved	Zig zag markings are faded and often ignored by parents and taxis trying to get near to the school. Site staff have to put traffic bollards out during peak times. Has some effect but causes more parking problems elsewhere in the road.		Parking
Resolved	It is nearly impossible for staff to leave the car park during the day and return to a space. If staff are here early they will be blocked in by 2, sometimes 3 cars.		Parking
Resolved	A number of students come to school via public transport. There is no space for taxis to park on the school site and as the vehicles can be large it is impossible to park on Manor Road. They are often forced to park in the car park, where there is no room and which can block people from getting in/out.		Parking
Resolved	There is no allocated visitor car parking or disabled car parking spaces. This means that either visitors can't park on the site or if they do they could get called out of a meeting to move their car.		Parking
Resolved	Not allowed to park on Manor Road		Parking
Resolved	Parking is a major problem with driving to school.		Parking
Resolved	Crossing roads can be dangerous as you get nearer to the school. As trhe school is a no-through road, motorists perform u-turns, mount pavements and park across junctions to the side alleys causing pedestrians to walk in the road		Road Safety
Resolved	Traffic is very bad around 8.30am especially in Gypsy Lane, Manor Road, Maple Road.		Local Community
Resolved	Buses on the local routes don't run regularly enough and don't fit in well with school timings at the beginning and end of the day. Children can be waiting in the dark for up to 30 minutes.		Public Transport

Planned	Cycling	C21 Bikeability level 1	Kaye Borley/Juliet Conroy			
Planned	Road Safety & Training	R4 Scooter training				
Completed - No Evidence	Walking & Scooting	W11 Walking trips	Year 3 lead	04/03/2022	Letters were sent home to all parents inviting children to attend the workshop at Thurrock Museum. Permission slips were required to be signed and returned to school in order for the children to go. Children to walk to and from the Museum so required to wear suitable walking shoes and ensure they wear a suitable outer raincoat to allow for the weather.	04/03/2022
Completed - No Evidence	Walking & Scooting	W7 Walk to school month	Lisa Clissold at Thurrock Road Safety Team	31/10/2022	Every October is walk to school month, all children and adults were encouraged to leave the cars at home and walk to and from school as much as possible. Lisa Clissold spoke about this at an assembly she held on 20th September. For those who live too far or walking/cycling/scooting is not possible, they were told about the 5-10 minute walking bubble we have.	31/10/2022
Completed	Air Quality	AQ10 Other air quality initiative 1	Jade Caton	13/10/2021	All children attended talks in the hall about the benefits of using electric cars and how they are better for the environment and cut down on air pollution. Children got to go outside to see an electric car and look into the workings of it.	13/10/2021
Completed	Air Quality	AQ15 National Clean Air Day	Natalie Barton	31/12/2020	Details of competition sent to every class teacher to give all children the opportunity to take part. All entries were judged by a panel at the school and the top 5 posters were sent to the Road Transport Team for judging. We were notified in February that one of our year 3 students was chosen as one of three winners with her winning entry. She received a £15 book voucher and her winning design was printed on to a banner which has now been displayed on the school gates at the front of the school. A photograph of the student with her winning poster was taken and put in to the school newsletter.	04/12/2020
Completed	Cycling	C22 Bikeability level 2	Kaye Borley/Juliet Conroy	19/05/2023	13 pupils returned their consent forms and took part. Completed	Curriculum	CU1 School takes part in competitions promoted by others	Rebecca Lockwood	23/07/2021	All children have been invited to take part in the competition. They will be required to submit their weekly miles and evidence to their class teacher who will then pass on to the PE lead. The results will be passed on to SSP on a regular basis where the school leader board will be kept up to date. Reminders and updates will be sent via social media and in newsletters encouraging children to continue to take part in the competition and to notch up the miles.	22/07/2021
Completed	Curriculum	CU10 Other curriculum work 1	Year 4 teachers	30/11/2022	Booklets for year 4 students were delivered to the school at the beginning of November in preparation for Road Safety Week during week of 14th to 20th November. Class teachers were asked to base a lesson around this in class. It gives children the opportunity to think about their own journeys as a pedestrian and covers all the relevant themes including the green cross code, safer crossing places, safer routes, road signs, hazards, being seen and in car safety. The children attended road safety training in year 3 so it is hoped this information will compound their previous learning. They were then able to take the booklets home with them to complete all of the activities.	24/11/2022
Completed	Curriculum	CU3 School teaches environmental benefits of active travel	Natalie Barton/Lisa Clissold/Class Teachers	25/11/2022	Age appropriate booklets were sent over from Lisa Clissold at Thurrock Road Safety Team for all children as a follow up to the Let's Get Active Campaign that we recently ran in school and to compound the pupils learning. The following booklets were sent: Clean Air Kids - for Reception and year 1 Safer Fitter Green - for year 2 and year 3 Air Land & Sea - for years 4/5 and 6 These booklets were handed out to all classes by our JRSO's on 24th Nov. Some classes worked on the activities as part of lessons in class and the others took them home	24/11/2022
Completed	Curriculum	CU7 Road safety lessons	Year 2 Teachers/Natalie Barton	14/07/2022	Year two teachers planned lessons around road safety. They discussed the importance of road safety, how to keep safe around the roads, the different types of crossings, and also discussed electric cars and how you must be careful as you cannot hear them around you. The children watched videos around road safety and worked through the booklets that were sent.	14/07/2022
