SELF-HELP * SELF-RESPONSIBILITY * DEMOCRACY * EQUALITY * EQUITY * SOLIDARITY

Dear Parents and Carers,

Thank you to all of you who have supported us in Walk to School Week this week. Despite the weather not being on our side it has been lovely to see so many children walking to school. We have also noticed an improvement in the traffic congestion outside the school, which is wonderful. Walking to school is not only a great way of keeping fit, meeting new friends and getting to know your neighbourhood, every car journey less you make will reduce the cost of fuel and cut pollution. A big well done to 2B and 6C who had the greatest number of children walking to school each day so have had a spin on the prize wheel to select their prizes.

Class Dojo Reward System

Diamond were clear winners last week with their 1240 total which created a 98 point gap between themselves and Emerald. This week, Diamond tumbled to fourth place! Clear winners this week were Sapphire with Ruby 37 points behind in second place. Interesting to note that Emerald's score has been identical for the last two weeks!

Scores last week	Emerald	Ruby	Sapphire	Diamond
	1142	1219	1207	1240
And this week	1142	1178	1215	1132

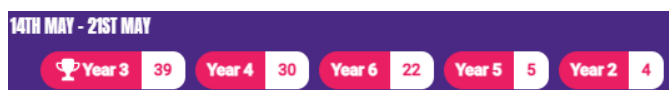

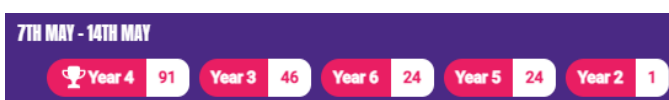

Next Friday, for the last hour of the day, will be class dojo treat time if the class has been successful in achieving the target number of Dojos set at the beginning of term. If your child needs to bring in anything from

home to participate in the treat, then a letter will be sent home shortly, to inform you.

Times Table Rock Stars

After taking second place for the previous two weeks, Year 4 achieved a magnificent total of 91 last week to take first place. This week, however, Year 3 have jumped ahead again to take first place.

Come on Year 2. We need to see higher scores than we've had in the last two weeks and Year 5, try to get the level of scoring back to last week's challenge you gave to Year 6!

Library Support from National Book Tokens Scheme

You could win £5,000 for your school's library! By nominating our school, your child could take home £100 of National Book Tokens. Follow the link for further details. <https://nationalbooktokens.com/schools>

End of Term

A reminder that next Friday, 28th May, we break up for the Whitsun half term. We return to school on Monday 7th June at your child's current starting time.

Bikeability Awards

Well done to the group of pupils in 4R who all successfully completed their Level 1 Bikeability course recently. A new group of children have started their course today.

And finally.....

Some photos to share with you of class 3S investigating nature by using their senses.

Have a lovely weekend!
