Dear Parents and Carers

It's been another great week at Thameside Primary, the new topics are well underway and the children have been working very hard.

Hopefully, you will have seen the letter that went out this week regarding healthy snacks. Science shows that providing children with healthy choices can help them to maintain focus and concentration so we really want to encourage our pupils to make good choices when taking snacks out at breaktime. Please only provide your child with fruit, vegetables, cheese or yogurt for snack. Just a reminder that children in EYFS or KS1 don't need to be given a snack as the school already provides this as part of the government scheme.

If you would like your child to receive milk in school, this can be purchased through the Cool Milk program – please speak to the office for more details.

Have a great weekend

Mrs Bray

## Congratulations! Well done for their effort and resilience

A reminder that each week a pupil is selected by the class teacher as a star learner, possibly a pupil who has demonstrated the Co-op values across the week in their learning and been a positive role model to the other pupils in the class.
